

Make **your voice** heard on childhood vaccines

Childhood Vaccines - Community Engagement Meeting

The Centers for Disease Control and Prevention (CDC) wants to hear from you.

The CDC is asking for public input about what values, priorities and needs the CDC should use when setting the childhood vaccination schedule.

The meningococcal (meningitis) vaccine will be the focus and the following options will be discussed:

- Making childhood meningitis vaccines available to those who seek it
- Promoting vaccination to those most at risk
- Implementing a widespread immunization program
